

Play Therapy Scholarships

In partnership with Play Therapy Australia, Cancer Council WA is offering two \$5000 scholarships for Health Professionals wishing to gain a qualification in Clinical Play Therapy

The successful applicants will: **

- Have a mental health qualification in a field such as counselling, social work, psychology, psychotherapy, occupational therapy or art therapy
- Have registration or licensing with a relevant professional body or board
- Gain entry to the Play Therapy Clinical Training Program 2012 and successfully complete Module 1
- Be working in private practice (or moving towards this)
- Have a strong interest in working with children and families affected by cancer and be willing to provide up to two years service to Cancer Council WA as a specialist Play Therapist Counsellor for the Cancer Counselling Network (fee for service)

**For detailed information on course requirements please see additional information on the Play Therapy Australia website

Applications are Now Open
