

Play Therapy Training Scholarships Awarding Panel

Selection Criteria

The scholarships are intended to benefit the wider community by increasing the number of competent Play Therapists within Western Australia

- Applicants meet the eligibility criteria
- Applicants have followed the application process as per instructions
- Applicants have agreed to the terms and conditions of the scholarships
- Preference will be given to applicants who have established, or are establishing, a Play Therapy private practice in an area of need
- Preference will be given to applicants with prior experience working on counselling and/or therapy roles with children and families
- Preference will be given to applicants who clearly identify the benefits of Play Therapy in working with children and families who have been impacted by cancer.
